vejledning. **SVENSKA:** Rekommenderas ej till barn under 6 år, innehåller smådelar.

Caution: The user is cautioned that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Information on box

UK **Battery requirements.** For best results use only the batteries recommended. Ensure batteries are inserted with the correct polarity. Do not mix different battery types. Do not mix new and used batteries. Remove batteries when using an adapter. Remove batteries when not in use. Remove exhausted batteries and dispose of them in accordance with the regulations. Do not attempt to recharge non-rechargeable batteries. Rechargeable batteries should only be charged under adult supervision. Remove rechargeable batteries before recharging. The supply-terminals are not to be short-circuited. Keep packaging for future reference for it contains important information.

DE **Batterieanforderungen.** Für optimale Ergebnisse nur empfohlene Batterien verwenden. Sicherstellen, dass Batterien mit der richtigen Polarität eingelegt werden. Keine verschiedenen Batterietypen mischen. Keine neuen und gebrauchten Batterien mischen. Batterien bei Verwendung eines Adapters herausnehmen. Batterien bei Nichtgebrauch herausnehmen. Verbrauchte Batterien herausnehmen und vorschriftsgemäß entsorgen. Nicht versuchen, nicht aufladbare Batterien aufzuladen. Aufladbare Batterien sollten nur unter Aufsicht eines Erwachsenen aufgeladen werden. Aufladbare Batterien vor dem Aufladen herausnehmen. Die Stromversorgungsanschlüsse dürfen nicht kurzgeschlossen werden. Verpackung zum zukünftigen Nachschlagen aufbewahren, da sie wichtige Informationen enthält.

NL **Batterijvereisten:** Voor de beste resultaten gebruikt u alleen de aanbevolen batterijen. Zorg ervoor dat u de batterijen goed om plaatst. Gebruik geen verschillende soorten batterijen door elkaar. Gebruik geen oude en nieuwe batterijen door elkaar. Verwijder de batterijen wanneer u een adapter gebruikt. Verwijder de batterijen wanneer u deze niet gebruikt. Verwijder lege batterijen en gooi ze weg volgens de voorschriften. Laad geen batterijen op die niet geschikt zijn voor opladen. Oplaadbare batterijen mogen alleen onder toezicht van volwassenen worden opgeladen. Verwijder oplaadbare batterijen voordat u deze oplaadt. Vermijd kortsluiting in de contactpunten. Bewaar de verpakking ter referentie, omdat deze belangrijke informatie bevat.

FR **Exigences en matière de piles.** Pour de meilleurs résultats, utilisez uniquement les piles recommandées. Veillez à ce que les piles soient insérées selon la polarité requise. Ne mélangez pas différents types de piles. Ne mélangez jamais des piles usagées et des piles neuves. Enlevez les piles lorsque vous utilisez un adaptateur. Veuillez enlever les piles lorsque le jeu n'est pas utilisé. Retirez les piles épuisées et éliminez-les conformément aux réglementations. Ne tentez pas de recharger des piles non rechargeables. Les piles rechargeables peuvent uniquement être rechargées sous la surveillance d'un adulte. Enlevez les piles rechargeables avant le rechargement. Les bornes d'alimentation ne doivent pas être mises en court-circuit. Conservez l'emballage pour vous y référer ultérieurement car il contient des informations importantes.

ES **Requisitos de la batería.** Para obtener un resultado óptimo utilice solamente las baterías recomendadas. Asegúrese de que las baterías se introduzcan con la polaridad incorrecta. No mezcle distintos tipos de baterías. No mezcle baterías nuevas y usadas. Quite las baterías cuando utilice un adaptador. Quite las baterías cuando no esté en uso. Quite las baterías agotadas y deshágase de ellas según las normativas vigentes. No intente recargar baterías que no sean recargables. Las baterías recargables solo deben cargarse bajo la supervisión de adultos. Quite las baterías recargables antes de realizar la recarga. Los terminales de alimentación no deben ser cortocircuitados. Guarde el embalaje para referencias futuras ya que contiene información importante.

PT **Requisitos relacionados com as pilhas.** Para obter os melhores resultados utilize apenas as pilhas recomendadas. Certifique-se de que as pilhas são inseridas com a polaridade correcta. Não misture diferentes tipos de pilhas. Não misture pilhas novas e pilhas usadas. Retire as pilhas quando utilizar um adaptador. Retire as pilhas quando não estiverem em utilização. Retire as pilhas gastas e elimine-as de acordo com as normas. Não tente recarregar pilhas não recarregáveis. As pilhas recarregáveis apenas deverão ser carregadas sob a supervisão de um adulto. Retire as pilhas recarregáveis antes de recarregar. Os terminais de abastecimento não deverão sofrer curto-circuitos. Conserve a embalagem para referência futura uma vez que esta contém informações importantes.
